## MPACT to Offer Free Special Education Trainings in Spanish

Missouri Parents Act (MPACT) will be releasing free special education trainings on Facebook that will be presented in Spanish. Trainings will be presented every second Thursday of the month (January - March) and will be on a different special education topic. A sneak peek of the series will be available on December 14th. For more information, you may visit their website at: <http://www.missouriparentsact.org/>.
